

OUR GREAT MAY SALE

Another May-Day Bargain Sale—a little better than the first. Need we say more?—Not to those who attended last week's sale, at any rate.

For the benefit of those who didn't, we make the explanation that we have inaugurated a series of May-Day Sales—one every week on Saturday and Monday but, owing to the fact that we close on Saturday this week this sale will be for Friday and Monday. We're trying to break past selling records this month, and these May Day Bargains are offered to help along the busy buying.

There'll be an eager rush for these good specials—the seasonable nature of each item and the fine price-savings guarantee that—so you'd better hurry through breakfast and get here early for the sake of best choice. Remember this sale is for Friday and Monday. Store closed all day Saturday.
